Youth Accounts Build Essential Money Management Skills

An EECU youth account is a great way to help kids build good financial habits when they're young. The accounts are designed to teach age-appropriate money skills as the kids transition from early childhood, to teenagers, to young adults. They receive a special gift when the account is opened, a savings card to track their deposits, and a chance to win a prize each quarter. Learn more at myEECU.org.

Never Transfer or Move Your Money to "Protect" It – It's a Scam

These types of scams often involve someone claiming that there is fraudulent activity on your account and to "protect" it, you need to move or transfer the money. The caller may even claim to be from the fraud department of your bank and will pressure you to act quickly to avoid losing your money. If you're told to transfer or move your money to protect it – it's a scam. Report these calls to your financial institution and to the FTC at ReportFraud.ftc.gov.
